Itching Burning Scaly Blotchy Humors

Instantly Relieved and Speedily Cured by

CUTICURA

The itching and burning I suffered in my feet and limbs for three years were terrible. At night they were worse and would keep me awake a greater part of the night. I consulted doctor after doctor, as I was travelling on the road most of my time, also one of our city doctors. None of the doctors knew what the trouble was. I got a lot of the different samples of the medicines I had been using. I found them of so many different kinds that I concluded I had better go to a Cincinnati hospital before I would get relief. I had frequently been urged to try CUTICURA REMEDIES, but I had no faith in them. My wife finally prevailed upon me to try them. Presto! What a change! I am now cured, and it is a permanent cure. I feel like kicking some doctor or myself for suffering three years when I could have used CUTICURA remedies.

H. JENKINS, Middleboro, Ky.

Speedy Cure Treatment

Bathe the affected parts with HOT water and CUTICURA SOAP to cleanse the skin and scalp of crusts and scales, and soften the thickened cuticle. Dry, without hard rubbing, and apply CUTICURA Ointment freely, to allay itching, irritation, and inflammation, and soothe and heal, and lastly take CUTICURA RESOLVENT to cool and cleanse the blood.

This sweet and wholesome treatment affords instant relief, permits rest and sleep in the severest forms of eczema and other itching, burning, and scaly humors of the skin, scalp, and blood, and points to a speedy, permanent, and economical cure when all other remedies and even the best physicians fail.

Price, THE SET, \$1.25 OF SOAP, 25c. OINTMENT, 50c., and RESOLVENT (half size) 50c. Sold throughout the world. CUTICURA SOAP, Ointment, and Resolvent, (half size) 50c. Sold by EDWARD STEVENS, Sole Props., Boston, Mass. "How to Cure Itching, Scaly Humors," mailed free.

AFFAIRS IN GEORGETOWN

New Industry for the Manufacture of Automobiles.

Located on K Street and Backed by Prominent Local Men—General News Items.

Another new industry is about to become a feature in Georgetown, affording additional employment to a number of people. The industry is that of manufacturing the motive power for the horseless carriages. It is understood that active operations will shortly commence. The home of the new industry will be on K street, in the buildings occupied a few years ago by the Thorn Manufacturing Company. The new business is backed by a number of Washington people, and the prime movers in the affair are said to include some of the expert electricians of the city. The promoters of the company believe that automobiles are soon to be generally used, entirely superseding horses. The vehicles, it is said, are costly now, owing to the inability to turn out the motors at a rapid enough rate. In the new factory to be located in Georgetown, with modern appliances and machinery, it is expected to reduce the cost considerably.

Odd Fellows' Uniform.

The inspection of Patriarch No. 42, Grand United Order of Odd Fellows, took place last night at its hall on 28th street. The organization presented a very creditable appearance. It will appear in parade next Wednesday, observing the fifty-third anniversary of the order in the District. Twenty-seven subordinate lodges with several other branches will participate in the celebration. The officers of the Patriarch are: Captain, Joseph C. Beckett; first lieutenant, George T. Beason; second lieutenant, W. J. Abrams; chief of standard, N. G. Mitchell. After the inspection ladies and the members present were given a collation.

Struck by a Car.

Frederick White, a young colored laborer, while at work on the construction of the new Georgetown and Tenleytown railroad, was struck by a car about 8:20 this morning and severely injured about the head. The accident occurred near a junction and the car was in charge of Conductor Moran. The injured man claimed that the bell was not rung, and that he was so intent on his work that he knew nothing until he was struck. He was picked up and taken to the Georgetown University Hospital, where his wounds were dressed. He was conveyed to the office of Sanitary Officer Frank, to be sent to one of the local hospitals.

General Mention.

The members of Independent Lodge of Good Templars will hold a general reunion next Friday evening at their hall.

The service of the forty-hour devotion begins with late mass tomorrow at Trinity Church.

The work of clearing the weeds on the property of the Western High School has commenced. The granolithic walks have all been laid and the coping nearly all put in place.

A telegram was received yesterday by Mr. James H. Taylor, announcing the serious illness at Pittsburgh, Pa., of his brother-in-law, Mr. Edward L. Dent, formerly of this place. Mr. Taylor left yesterday for Pittsburgh.

WELFARE OF RESIDENTS.

Matters Discussed Before Brightwood Avenue Citizens' Association.

Matters affecting the welfare of Brightwood as a community, and of its people as residents of the District of Columbia, were discussed at a largely attended meeting of the Brightwood Avenue Citizens' Association, held last night in Brightwood Hall. President Louis P. Shoemaker was in the chair, and at the conclusion of the business affairs he entertained the members and guests at supper.

In calling the assemblage to order Mr. Shoemaker made a brief address in which he spoke of the urgent necessity of securing from Congress some action in regard to the improvement of 13th and 14th streets extended. One of the other of these important thoroughfares, he said, should be attended to at once. He hoped the other citizens' organizations of the District would appreciate the importance of this and cooperate with the residents of Brightwood. Mr. Shoemaker spoke of the rapid development of Columbia Heights and of the section lying just east of Brightwood. With improved street facilities he believed Brightwood would keep pace with her neighbors.

Mr. L. M. Saunders was a guest of the association. He was asked to deliver an address. Mr. Saunders spoke optimistically of the future of Brightwood, saying it had many advantages over other suburbs of Washington.

Three resolutions were adopted, one calling upon the District Commissioners to place electric lights along Brightwood avenue, replacing the gas lamps; another, requesting the Brightwood Railroad Company to put its trolley wires where they would be better seen, and the third suggesting to the Commissioners a public library for Brightwood.

Judge Charles F. Scott was unanimously elected a member.

WOMAN BADLY HURT.

Skull Fractured, Thigh Broken and Other Injuries Sustained.

Allice Thompson, colored, thirty-five years old, living at No. 108 Madison alley northwest, was struck by a car at 1st and H streets northwest yesterday afternoon and seriously injured. She had a big basket filled with clothes and was on her way to deliver them when she met with the accident.

There were a number of vehicles on the street at the time, and the woman in getting out of the way of them stepped in front of car No. 4. The fender struck her and threw her violently against the car. Motorman Fred. Harden stopped the car at once, but not in time to save the woman. She was unconscious when picked up by the railroad men and pedestrians, and it was believed she was dying.

The injured woman was hurried to the Emergency Hospital, where the doctors found that her head was badly cut and that she sustained a slight fracture of the skull. Her thigh broken.

Dr. Carr, assisted by Drs. Whitson and Williams, performed an operation. While the patient's condition was serious, she rested well last night, and the doctors believe she will recover.

FUNERAL OF COL. L. W. TOWERS.

Six of His Nephews Act as Pallbearers—Tribute to His Worth.

The funeral of the late venerable Col. Lemuel W. Towers took place from the old family residence, No. 817 K street northwest, at 2 o'clock this afternoon. During the entire service the choir sang constantly coming to offer sympathy to the family and take a last look at the features of one they had esteemed so highly.

The body reposed in a heavy casket, covered with black cloth and heavily trimmed with silver, and the well-known features of the deceased were almost lifelike, seeming more as if in the repose of sleep than set for eternity. The casket was covered with exquisite floral offerings and the mantels of the parlors and other corners were filled with similar remembrances.

The services were attended by a large number of the old citizens of the District, and of representatives of the Washington Light Infantry, of which Col. Towers was one of the organizers, in 1831. The infant son of the deceased, who was designated six of his officers to serve as pallbearers, and to turn out the battalion as an escort of honor, but the family regretfully declined, preferring no display and wishing to continue the Towers custom of having immediate relatives act as pallbearers.

Rev. F. H. Barton of St. John's Church, Georgetown, conducted the services, and paid a fitting tribute to the high and many qualities of the deceased, and the charity which always characterized his acts and his opinions.

At the conclusion of the services at the house the remains were taken to Congressional cemetery, where they were buried in the Towers family lot. The pallbearers, in addition to the nephews of the deceased, were William H. Towers, C. M. Towers, W.

The chances are nine in ten that the office boy will bring a cake of Ivory Soap if sent for "a cake of good soap." But be sure of it. Each cake of Ivory Soap is stamped "Ivory."

Held on Suspicion.

The detectives have a quantity of silverware at police headquarters, which they are holding on suspicion that it is stolen property. It was recovered from the house of Tony Stewart, colored, who was held in the Police Court yesterday on a charge of theft.

Mrs. Stewart, wife of the man arrested, says that most of the silverware was given her when she was married. Two silver-plated tea pots have on them the initials "H. N. P.," while most of the other articles bear the initials of Mrs. Stewart. Among these are two gold penholders, pair of silver bracelets, a razor, gold-plated bracelet, with charm attached, a tall glass pitcher, with a silver band about the top, and the two sets of silverware mentioned.

The Stewarts are from Lynchburg, Va., and Acting Inspector Carter has communicated with the authorities there concerning them.

Mr. Charles S. Clark will conduct the music tomorrow.
